

Remarks

The specification has been amended at page 27 to correct minor editorial problems. Support for the amendment of the specification is found in original claim 12.

The specification has been amended at page 30 to properly identify the sequence identification number for each peptide combination. Support for the amendment of the specification is found in Claims, 2, 4, 5, 6 and 18.

Claims 1-66 remain in this application. Claims 45 and 47-64 have been amended to properly identify the sequence identification number for each peptide combination. Support for the amendment of Claims 45 and 47-64 is found in Claims 2, 4, 5, 6 and 18 and support for amendment of Claims 50 and 56 is found in Claims 2, 4, 5, 6, 18 and 59.

Applicants respectfully submit that the amendment of the specification and the claims has been made in good faith and that no new matter has been added.

It is respectfully submitted that the claims are in proper form and that an early allowance be issued in this case.

Respectfully submitted,

Dated: JULY 21, 2004
